AT THE SUB ROOMS

GET MARRIED AT THE SUBS

Situated in the heart of the beautiful Cotswold market town of Stroud, the Grade II listed Subscription Rooms were built in 1833 and make the perfect venue for a wedding celebration.

Widely known for its Georgian architecture, art-deco bar, and timeless interior décor, this stunning building provides a memorable setting in which to conduct your wedding ceremony & dinner or to host a drinks reception for your guests.

Ceremonies at the Subscription Rooms take place in the iconic Ballroom with its high ceilings, grand chandeliers and magnificent views from the balcony terrace. This is also where receptions take place, with the option of using the George Room for smaller drinks receptions.

"We just wanted to say a massive thank you for Saturday. We had the most incredible wedding day - from the arrival, the welcome drinks, the incredible Indian feast, and the music. We can't thank you enough, everything went perfectly - we loved everything about it."

BALLROOM

A stunning Regency-style room featuring floor to ceiling windows, grand chandeliers and a sprung maple dance floor. Perfect for your chosen entertainment and for dancing.

The Ballroom boasts perfect acoustics, having been recently treated by renowned acousticians to ensure that a perfect sound matches the beautiful surroundings.

The Ballroom hire also includes full use of our stylish Art Deco Bar, which works perfectly as a space for guests to take a moment away from the entertainment to enjoy a cocktail or to mingle with others.

"Our friends and family had such a great day and we had so many comments about how amazing the Sub Rooms is and how well the day was run. They loved the food, and said how great the sound was!"

GEORGE ROOM

At the front of the Sub Rooms, located at ground level, is the smaller of our two rooms – The George Room. Retaining the character and charm of its original 19th century composition, this is an idyllic space for an intimate ceremony.

Having been acoustically treated, the space is ideal for delivering speeches, amplifying music, or facilitating screenings. The room is also fully equipped to consider lighting and ambiance. The lighting features are independently controlled, meaning that our light technician can uniquely tailor the atmosphere to your taste.

This space is ideal for drinks and canape receptions between your ceremony and wedding breakfast.

ART-DECO BAR

Our beautiful, newly refurbished bar is perfect for appetizers and drinks with its art-deco inspired interiors, wide selection of beers, and outstanding regional wines.

Linking directly to the Ballroom, guests can slip away somewhere quieter and catch up with others over a drink.

The room is also fitted with a built-in sound system, so can be used as a special spot to enjoy post-ceremony celebrations, stag and hen parties.

THE SUB ROOMS STROUD

A photograph of a man and a woman dancing together in a dimly lit room. The woman is on the left, wearing a white dress and a floral headband. The man is on the right, wearing a dark suit and a red bow tie. They are holding hands and looking at each other. In the background, a large neon sign in red and pink letters reads "THE SUB ROOMS STROUD".
